

POMEROY TELEGRAPH

THURSDAY, MAY 24, 1866

The Court of Common Pleas for Meigs county, commences its June term on Monday next, the 5th inst.

Jay Cooke and Co report subscriptions to the seventh loan on Saturday, at \$1,510,000. The First National Bank of Pomeroy is prepared to furnish those wishing to invest in this loan with any amount desired.

One night last week an affray occurred on Front Street which we learn that about some fifteen years of age received several severe stabs from which he is still confined to his bed. We understand the party had been drinking for some time previous, and that on trial those arrested were fined \$10 each.

For the past three weeks the citizens of Middleport, Mason City and Pomeroy have been treated to the unwelcome nocturnal visit of burglars, whose daring is equal to that of professors of the art, and we have not learned that any of them have been arrested or marked. We would advise all to have at hand preparations for the marking process and protection of themselves and property, and which operation presents no danger.

A colored preacher, in addressing his congregation in regard to the prospect of reaching the Better Land, and of the journey thither, said: "Why, brethren, I'd rather be a deck hand on the ship of Zion, than Captain of the Wild Wagoner; for the ship of Zion runs clear through to heaven, and the Wild Wagoner runs only to Cincinnati."

Any Straggler.—The American people as a class are predisposed to diseases of the head, throat and lungs—the skill of most eminent physicians has been baffled in attempts to cure Catarrh, which if allowed to run on until it has assumed its worst form, will result in Consumption.

Dr. D. H. Seelye's Liquid Catarrh Remedy is infallibly used, all who know by experience are satisfied, a speedy and permanent cure will be effected.

Married.—On Thursday evening, May 16th, 1866, at the residence of the bride's parents, by the Rev. Mr. Chesley, Mr. Wesley Weston and Miss E. J. Gilkrist, both of Orange, Meigs Co., Ohio. May 16th, 1866.

INTERESTING TO FARMERS. THE MANUFACTURERS of the celebrated Buckeye Mowing and Reaping Machine, have just recently greatly reduced the price of their machines, so as to place them within the reach of every farmer in the country. The "Buckeye" is so widely known, and so great a favorite among the farmers everywhere, that it would be needless for me to say anything more in its favor. However, I will simply say, with the late improvement, combined with great strength, durability and economy of power, and in a few days will have a full supply on hand, and will be pleased to accommodate all who may favor me with a call. Orders received at all times and attended to promptly.

WHISKERS!!—Those wishing a fine set of Whiskers, a nice Moustache, or a beautiful head of Gray Hair, will please read the contents of Tan's Cologne of your paper, that our renowned preparation, known as Coe's Dyspepsia Cure, is a certain cure for Dyspepsia, in its worst stages. Many cures of long standing, and of the most obstinate kind, have been effected, and we believe permanently cured. It will stop distress after eating almost instantaneously, and enables the dyspeptic who has lived for years upon thin bread and the poorest quality of food, to eat heartily and with pleasure, and without danger of distress, or suffering, or rising on the stomach. It is an infallible corrector of indigestion and constipation, creates a healthy appetite, stops sick headache, heartburn, sickness at the stomach, gas, cramps, or colic in either stomach or bowels, and sweetens offensive breath, as soon as you take it, and by enabling the patient to take plenty of hearty food, which is the best of health, produces vigor, strength and energy. In every trial we have known, it has speedily eradicated Dyspepsia with all its attendant evils, nervousness, debility and loss of power, giving instead, complete recovery, and tone to the stomach and organs of digestion, and as we confidently believe, and as the published certificates in our circulars, almanacs, and in many of the leading journals, from countries as far distant as London, completely, permanently, and almost miraculously, "cure the worst case of Dyspepsia in existence." We warrant it in every instance. It can be obtained at all the Drug Stores in the United States and Canada, at \$1.00 per bottle, or six bottles for \$5.00. C. G. U. S. 7-30 LOAN.

The sale of the first series of \$200,000,000 of the 7-30 Loan was completed on the 31st of March, 1865. The sale of the second series of Three Hundred Millions, payable three years from the 1st day of June 1865, was begun on the 1st of April. In the short space of thirty days, over One Hundred Millions of this series have been sold—leaving this day less than Two Hundred Millions to be disposed of. The interest is payable semi-annually in currency on the 15th of December and 15th of June, by coupons attached to each note, which are readily cashed anywhere. It amounts to:

One cent per day on a \$50 note. Two cents " " \$100 " Ten " " \$500 " 20 " " \$1000 " \$1 " " \$5000 " More and More Desirable.

The rebellion is suppressed, and the Government has already adopted measures to reduce expenditures as rapidly as possible to a peace footing, thus withdrawing from market as borrower and purchaser.

This is the only loan in market now offered by the Government, and constitutes the Great Popular Loan of the People. The Seven-Thirty Notes are convertible into their maturity, at the option of the holder, into U. S. 5-20 SIX per cent GOLD-BEARING BONDS, which are always worth a premium.

Free from Taxation. The 7-30 Notes cannot be taxed by Towns, Cities, Counties or States, and the interest is not taxed unless on a surplus of the owner's income exceeding six hundred dollars a year. This fact increases their value from one to three per cent per annum, according to the rate levied on other property.

Subscribe Quickly. Less than \$200,000,000 of the loan authorized by the act of Congress are now on the market. This amount, at the rate at which it is being absorbed, will be all subscribed for within two months, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks and Private Banks throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

JAY COOKE, Subscription Agent, Philadelphia, May 1st, 1865. Subscriptions will be received by the First National Bank of Pomeroy. [my 18-34]

THE NINTH NATIONAL BANK OF THE CITY OF NEW YORK. CAPITAL \$1,000,000, PAID IN. Prudential Agent of the United States, AND BRANCH AGENTS FOR JAY COOKE, SUBSCRIPTION AGENT.

DR. SEELYE'S LIQUID CATARRH REMEDY

Cure Warranted if Directions are Followed. Single bottle will last a month to be used three times a day.

SYMPTOMS. The symptoms of Catarrh are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or a slight discharge, thin and acid, afterwards thick and offensive, causing a bad breath; the voice thick and nasal; the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently takes place.

As the disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice thick and nasal; the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently takes place.

Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a stick or other thing, which has fallen from the head during the night. When this takes place, the person may be sure that his disease is in this way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrhal symptoms. Write to our Laboratory for our pamphlet describing fully all symptoms; it will be sent FREE to any address. Also directions how to procure the medicine.
